**Section Five**

**Directions:** *In this section, you will hear a short passage 4 times. Listen carefully and don't write during the first reading. During the second and third readings, try to write what you've heard on your Answer Sheet. Check your writing when the passage is read the fourth time. (10 points)*

It's clear that everyone needs to sleep. Most people rarely think about how and why they sleep, however. We know that if we sleep well, we feel rested. If we don't sleep enough, we often feel tired and irritable. It seems there are two purposes of sleep; physical rest and psychological rest. We need to rest our bodies and our minds. Both are important in order for us to be healthy.
